

THE PINEHURST

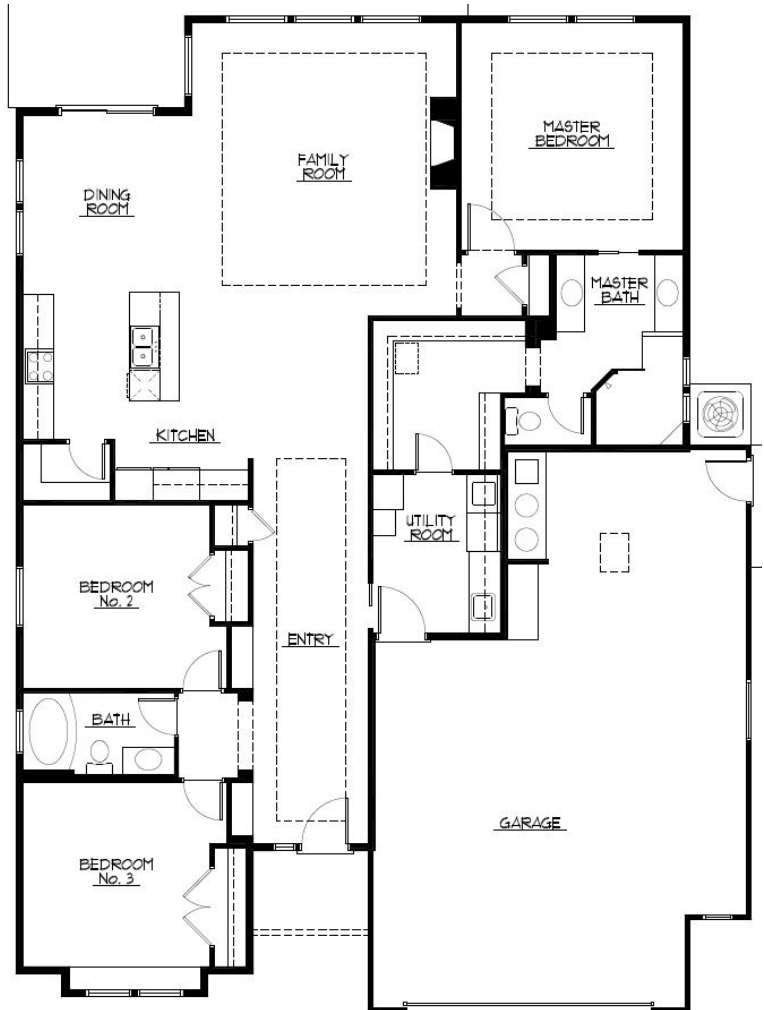

Welcome to the Pinehurst where you can downsize without the sacrifice! This single level plan was designed to showcase prized furniture and art! From the expansive entry to the spacious kitchen and great room, each room provides luxurious living comfort.

The great room features hardwoods throughout, abundant windows and a cozy stone fireplace! The kitchen is anchored by a 7' island, and is loaded with abundant cabinets, pull out drawers, a 4-piece Whirlpool appliance package, gorgeous granite and custom woodwork.

The master suite pampers new owners with dual vanities, an oversized tiled shower, and a walk-in closet conveniently connected to the utility room!

Boise Building Company trademark qualities shine throughout!
